Overdraft Protection

Sometimes funds deposited into your account may not be immediately available or there may not be sufficient funds in your account to cover an Automated Teller Machine (ATM) or debit card transaction. You can avoid having your transaction declined by enrolling in America's Christian Credit Union ("ACCU") Overdraft Privilege **PLUS** overdraft protection program. When you opt in to Overdraft Privilege **PLUS**, ACCU may approve your ATM or everyday debit card transaction even when you do not have sufficient or available funds in your account.

What You Need to Know About Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft protection that comes with your account called "Overdraft Privilege".
2. We also offer alternative overdraft protection plans, such as automatic transfer from a linked savings account or a line of credit loan, which may be less expensive than our Overdraft Privilege protection. To learn more, ask us about these plans.

What is the Overdraft Privilege protection that comes with my account?

We **do** authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Automatic bill payments and other ACH transactions

We **do not** authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction.

If we do not authorize and pay an overdraft for ATM and/or everyday debit card transactions, your transaction will be declined.

Is a fee charged if America's Christian Credit Union pays my overdraft?

Yes, we will charge you a fee of up to \$32.50 each time we pay an overdraft. There is a maximum of ten (10) fees per day we can charge you for overdrawing your account. Please refer to ACCU's fee schedule for all applicable fees.

What if I want America's Christian Credit Union to authorize and pay overdrafts on my ATM and everyday debit card transactions?

If you want us to authorize and pay overdrafts on ATM and everyday debit card transactions, you may opt in to our Overdraft Privilege PLUS program by returning to the online application and checking the consent box. There is a 30-day waiting period before you become eligible for Overdraft Privilege PLUS. You will be notified when you are approved and opted-in to the Overdraft Privilege PLUS program.

You may also print this form and complete the consent section below, and return it to us at the address listed at the bottom of this notice. You will be notified when you are approved and opted-in to Overdraft Privilege PLUS program.

You may choose to opt out of the Overdraft Privilege PLUS program at any time by calling the credit union at 1-800-343-6328, by writing to us at the address listed at the bottom of this notice or by completing this form and returning to us at the address listed at the bottom of this notice.
