1 - APY=Annual Percentage Yield and is accurate as of 07/16/2024. APY assumes that dividends will remain in the account until maturity. Minimum deposit to earn the stated APY is \$1,000; maximum deposit is \$100,000. Early withdrawal penalties do apply which may reduce the principal and reduce earnings. No additional deposits can be made during the term of the New Member Term Share Certificate. Must be opened with 60 days of account opening; or by a member who has not held, or closed, an ACCU: savings, term share certificate, money market, or loan account. At maturity, the promotional Term Share Certificate will renew as a traditional Term Share Certificate for another 12-month term at the prevailing rate unless we are notified prior to or within 7 days of maturity date. All program rates, offers, terms and conditions are subject to change without notice. Certain restrictions apply.

Must qualify for membership. A \$2.00 membership fee may apply for new memberships established or added onto accounts as a joint applicant. This credit union is federally insured by the National Credit Union Administration. Added savings protection is provided by American Share Insurance (ASI) on qualifying members' accounts in excess of that provided by NCUA. ASI is a credit union owned-share guaranty corporation. See a credit union representative for details.
